Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the "Triangle Terror" ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon's preteen sister, Alexis, is murdered in their home, plunging Landon's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister's murder? And so begins Landon's journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's Third Watch and Dean Koontz's The Neighbor. Read as a standalone or as the companion book to A Secondhand Life. Mementos of the past 95 years of motorcycling displayed and discussed, from advertising art and photos to dealer jewelry and motorcycle toys. Ardis finds his status as a vampire distasteful and longs to be a living being again. He persuades Evangeline to kill her wicked witch mother before she decides to kill her. He also wants her help locating an ancient grimoire that may contain a spell that will change him back to a living human being again, only the last known place the spellbook was in the hands of the powerful vampire who changed Ardis centuries ago. There is much at stake as they struggle to not lose one another again in this lifetime. Will they succeed in finding their happily ever after at long last? YZ125 1994-2001 Tyson's journey from student to senior executive when an entirely new world of human communications came into being. He traces the development of corporate identity, vision, and activities of Bell-Northern Research (BNR), which would become one of the most innovative and widely respected research-and-development organizations in the world. UNIX For Dummies has been the standard for beginning UNIX references for nearly ten years, and this latest edition continues that tradition of success This unparalleled resource is updated to cover the latest applications of UNIX technology, including Linux and Mac desktops as well as how UNIX works with Microsoft server software Thorough coverage of how to handle UNIX installation, file management, software, utilities, networks, Internet access, and other basic tasks Aimed at the first-time UNIX desktop user growing accustomed to the ins and outs of the OS, as well as the beginning administrator who needs to get a handle on UNIX networking basics Written by John Levine and Margaret Levine Young, longtime UNIX experts and highly experienced For Dummies authors As more employees work non-routine hours, often in critical safety and security positions, recognizing and reducing stress and the human error it causes is more important than ever. Performance problems caused by unconventional work schedules and resulting fatigue are a significant cause of industrial accidents, lost productivity, and high medical costs. Shiftwork Safety and Performance offers practical solutions to managing fitness and health, improving alertness and sleep quality, and maintaining a social life while performing shiftwork. The author, an experienced safety consultant and trainer who has studied shiftwork around the country, explains the often disastrous consequences of inadequate alertness, and offers ways to improve morale and reduce accidents. If you supervise or train shiftworkers, this book will help you identify opportunities to improve workplace and worker safety. This easy-to-read, practical manual introduces scheduling strategies to improve alertness, enhance the quality of time away from work, and assist crew communications. It is the first and only complete guide on the complex subject of shiftwork and human performance, and the first book addressing the serious subject of shiftworker burnout. 228 reviews of sailboat designs.
