24 jun 2020 fountas and pinnell as well as other balanced
literacy programs places a great deal of emphasis on this guided
approach to reading and group work because fundamentally they
see reading as a social activity rather than an individual s ability
to decode text something that happens in the confines of the
brain in the reading circuit web the guided reading concept was
originally developed by marie clay and others in new zealand in
the 1960s and was developed further in the us by fountas and
