Climbing the Literacy Ladder Oct 08 2021 Literacy skills are the cornerstone upon which students' knowledge, self-esteem, and future educational opportunities are built. But far too many teachers lack the time, materials, and specialized knowledge required to address these skills adequately. To that end, Climbing the Literacy Ladder is a one-stop shop to help teachers plan and differentiate literacy instruction for all students from prekindergarten through 5th grade. Literacy educator Beverly Tyner presents plans for small-group instruction that addresses elementary students' six developmental stages of reading and writing: emergent, beginning, fledgling, transitional, fluent, and independent. To help teachers support students' literacy development, this book also provides - Characteristics of readers and writers at each stage. - Lesson plans that target each of the research-based instructional components (fluency, word study, vocabulary, and comprehension). - Authentic classroom scenarios and conversations. - Practical classroom strategies and activities. - Advice for when to move students to the next stage. If students cannot read with comprehension by 3rd grade, then their educational future is cast in doubt. Climbing the Literacy Ladder will not only help you grow as a competent and empowered literacy teacher but also ensure that your students continue to travel a clear and unobstructed educational road. This book is a co-publication of ASCD and ILA.

Beverly, Right Here Apr 02 2021 As featured on The Today Show 's Read with Jenna Jr. Book Club Revisiting once again the world of Raymie Nightingale, two-time Newbery Medalist Kate DiCamillo turns her focus to the tough-talking, inescapably tenderhearted Beverly. Beverly put her foot down on the gas. They went faster still. This was what Beverly wanted — what she always wanted. To get away. To get away as fast as she could. To stay away. Beverly Tapinski has run away from home plenty of times, but that was when she was just a kid. By now, she figures, it 's not running away. It 's leaving. Determined to make it on her own, Beverly finds a job and a place to live and tries to forget about her dog, Buddy, now buried underneath the orange trees back home; her friend Raymie, whom she left without a word; and her mom, Rhonda, who has never cared about anyone but herself. Beverly doesn 't want to depend on anyone, and she definitely doesn 't want anyone to depend on her. But despite her best efforts, she can 't help forming connections with the people around her — and gradually, she learns to see herself through their eyes. In a touching, funny, and fearless conclusion to her sequence of novels about the beloved Three Rancheros, #1 New York Times best-selling author Kate DiCamillo tells the story of a character who will break your heart and put it back together again.
