Study Guide to DSM-5® Jul 24 2020 The Study Guide to DSM-5® is an indispensable instructional supplement to the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition. The Study Guide is intended to assist readers in understanding diagnostic criteria and concepts from DSM-5®, as well as how to apply them. Learning objectives introduce each group of chapters to hone critical insights into diagnosis. Foundational concepts of diagnosis are amplified with case vignettes, discussion questions, and recommended reading to enrich knowledge and practice. The gem of this volume, diagnostic classes are made straightforward with overview narratives, summary discussions, and diagnostic pearls. In each diagnostic class, the reader will find in-depth sections for key diagnoses, including approach to the diagnosis, getting the history, tips for clarifying the diagnosis, case vignettes, and differential diagnosis. A self-assessment section for each diagnostic class includes a checklist of key concepts, discussion questions, case-based question sets, and short-answer questions and answers to help readers comprehend diagnoses as they naturally occur in multidimensional, clinically complex scenarios. Lastly, an overview of diagnostic questions that cover material across the Study Guide and DSM-5® provides additional testing of knowledge for the astute learner. The Study Guide to DSM-5® is written by recognized leaders in academic psychiatry who provide their expertise in helping the reader to understand how criteria, as words in a manual, come together in the real-life experience of patients. Experts across clinical areas and learners were engaged to help ensure attunement to learner concerns in the book's development. Teachers and students of psychiatry, psychology, social work, medical schools, and residency programs will benefit from this interesting and enormously instructive companion volume.

CISSP Study Guide Feb 28 2021 CISSP Study Guide, Third Edition provides readers with information on the CISSP certification, the most prestigious, globally-recognized, vendor-neutral exam for information security professionals. With over 100,000 professionals certified worldwide, and many more joining their ranks, this new third edition presents everything a reader needs to know on the newest version of the exam's Common Body of Knowledge. The eight domains are covered completely and as concisely as possible, allowing users to ace the exam. Each domain has its own chapter that includes a specially-designed pedagogy to help users pass the exam, including clearly-stated exam objectives, unique terms and definitions, exam warnings, "learning by example" modules, hands-on exercises, and chapter ending questions. Provides the most complete and effective study guide to prepare users for passing the CISSP exam, giving them exactly what they need to pass the test Authored by Eric Conrad who has prepared hundreds of professionals for passing the CISSP exam through SANS, a popular and well-known organization for information security professionals Covers all of the new information in the Common Body of Knowledge updated in January 2015, and also provides two exams, tiered end-of-chapter questions for a gradual learning curve, and a complete self-test appendix

Organic Chemistry Study Guide Apr 13 2022 Organic Chemistry Study Guide: Key Concepts, Problems, and Solutions features hundreds of problems from the companion book, Organic Chemistry, and includes solutions for every problem. Key concept summaries reinforce critical material from the primary book and enhance mastery of this complex subject. Organic chemistry is a constantly evolving field that has great relevance for all scientists, not just chemists. For chemical engineers, understanding the properties of organic molecules and how reactions occur is critically important to understanding the processes in an industrial plant. For biologists and health professionals, it is essential because nearly all of biochemistry springs from organic chemistry. Additionally, all scientists can benefit from improved critical thinking and problem-solving skills that are developed from the study of organic chemistry. Organic chemistry, like any "skill", is best learned by doing. It is difficult to learn by rote memorization, and true understanding comes only from concentrated reading, and working as many problems as possible. In fact, problem sets are the best way to ensure that concepts are not only well understood, but can also be applied to real-world problems in the work place. Helps readers learn to categorize, analyze, and solve organic chemistry problems at all levels of difficulty Hundreds of fully-worked practice problems, all with solutions Key concept summaries for every chapter reinforces core content from the companion book

He Chose the Nails Study Guide Jun 22 2020 Every gift from God reveals his love, but no gift reveals his love more than the gifts of the cross. These gifts came not wrapped in paper but in passion. They were not placed around a tree but around a cross. They were not covered with ribbons but sprinkled with the blood that Christ shed on our behalf. In this five-session video Bible study, Max Lucado explores the many gifts that Christ provided to us at his crucifixion. These include not only the gift of the cross, but also the gift of the thorns that pierced his brow. The nails that tore his flesh. The seamless robe that he removed for us. The empty tomb where he forever defeated sin and death. The hill of the cross is rich with the gifts of God's grace. These were gifts he didn't have to give. The only required act for our salvation was the shedding of blood, yet God did so much more. So, as we unwrap these gifts, we need to pause and listen for his voice. As we do, perhaps we will hear him whisper, "I did it just for you." The He Chose the Nails Study Guide includes video discussion questions, Bible exploration, personal study and reflection materials for in-between sessions, and an additional session for churches and small groups using this study as part of Lent. Session include: He Chose to Be One of Us He Chose to Forgive Us He Chose to Invite Us into His Presence He Chose to Love Us Forever He Chose to Give Us Victory Designed for use with the He Chose the Nails DVD 9780310687849 (sold separately). This is a two-disc set that can be used for Christmas and Easter.
