A Poetry Teacher's Toolkit Sep 06 2021 Professional poets spend many hours crafting a finished piece of work, yet we expect children in school to sit down and write when they are told to, whether they feel inspired or not. This series of four books is a toolkit to help you build a positive framework for children to read, write, understand and enjoy poetry - to bring a creative spark to the poetry classroom. A combination of featured poems, creative ideas, structured lesson plans and differentiated photocopiable activity sheets gives the series a uniquely flexible approach - which means you can use the materials in any classroom context. If you're wary of poetry, if you think it's boring, or if

you're nervous about teaching poetry, then you've chosen the right book. Key themes covered in BOOK 2: Rhymes, Rhythms and Rattles are rhythm and rhyme in poetry, sounds, alliteration, words to create effects, onomatopoeia, and metaphor and simile. Therapeutic Groupwork with Children Feb 28 2021 This hands-on workbook is an invaluable resource for all professionals who work with young children, both in clinics and schools, including teachers, activity leaders and therapists. It provides an overview of the book's basis in humanistic philosophy, a discussion of the role of group leaders and how to start and run a group. It contains 40 varied group activities, some original and some more well known, each with clear guidelines, photocopiable worksheets and anecdotal evaluations. Guidance is given

on how to use the activities in a pick-and-mix approach, with a gradual build up from simple listening and turn-taking exercises to empathy, problem-solving and dealing with emotions. Divided into activities for infants and juniors, they are designed to use different strengths within the children, including verbal, non-verbal, trust, imagination and physical. Using these activities in a group setting will create an environment, where children feel listened to, accepted and valued, and in which they can grow emotionally.
