Evolving Identities of Pacific Peoples in Aotearoa/New Zealand Mar 08 2022 Well-documented and comprehensive study of the Pacific peoples now resident in New Zealand and the evolution and emergence of new forms of identity and community within these populations. It also discusses some of the contributions these communities are making to the wider institutions of this country.

From Grassroots to Commercialization: Hip Hop and Rap Music in the USA May 18 2020 In the past three decades hip hop has developed from an underground movement in one of New York City's poorest boroughs, the Bronx, to a worldwide multi-billion-dollar industry. Nowadays one could not imagine chart shows, discos or house-parties without rap music. According to Guthrie P. Ramsey, Jr., rap music, which belongs under the cultural umbrella called hip hop, 'is virtually everywhere: television, radio, film, magazines, art galleries, and in 'underground' culture'. In this work Karl Kovacs will examine the reasons for hip hop's international success, the dangers of it, and the motivations rappers had and still have to pursue their art. It is yet to be answered if the success of this form of art has been a blessing or a curse for its performers and their audience, the so-called hip hop generation.

"Law Never Here" Jun 30 2021 Shared racial and cultural experiences and the collective memory of those experiences play important roles in determining the responses of African Americans to issues of crime and violence. By examining American history through the prism of African American experience, this volume provides a framework for understanding contemporary issues regarding crime and justice, including the much-discussed gap between how blacks and whites perceive the fairness of the criminal justice system. Following a thesis offered by W.E.B. Du Bois with regard to African American responses to oppression, the authors argue that responses by African Americans to issues of crime and justice have taken three main forms--resistance, accommodation, and self-determination. These responses are related to efforts by African Americans to carve out social and psychological space for themselves and to find their place in America.

Alien Encounters Oct 03 2021 Alien Encounters showcases innovative directions in Asian American cultural studies. In essays exploring topics ranging from pulp fiction to multimedia art to import-car subcultures, contributors analyze Asian Americans' interactions with popular culture as both creators and consumers. Written by a new generation of cultural critics, these essays reflect post-1965 Asian America; the contributors pay nuanced attention to issues of gender, sexuality, transnationality, and citizenship, and they unabashedly take pleasure in pop culture. This interdisciplinary collection brings together contributors working in Asian American studies, English, anthropology, sociology, and art history. They consider issues of cultural authenticity raised by Asian American participation in hip hop and jazz, the emergence of an orientalist "Indo-chic" in U.S. youth culture, and the circulation of Vietnamese music variety shows. They examine the relationship between Chinese restaurants and American culture, issues of sexuality and race brought to the fore in the video performance art of a Bruce Lee-channeling drag king, and immigrant television viewers' dismayed reactions to a Chinese American chef who is "not Chinese enough." The essays in Alien Encounters demonstrate the importance of scholarly engagement with popular culture. Taking popular culture seriously reveals how people imagine and express their affective relationships to history, identity, and belonging. Contributors. Wendy Hui Kyong Chun, Kevin Fellezs, Vernadette Vicuña Gonzalez, Joan Kee, Nhi T. Lieu, Sunaina Maira, Martin F. Manalansan IV, Mimi Thi Nguyen, Robyn Magalit Rodriguez, Sukhdev Sandhu, Christopher A. Shinn, Indigo Som, Thuy Linh Nguyen Tu, Oliver Wang

Gettin' Our Groove on Feb 07 2022 A critical work on the African American vernacular tradition and its expression in contemporary Hip hop.

Beyond the Corporate University May 30 2021 Prominent scholars in this book move boldly beyond critique to show how and why the critical functions of a democratically informed civic education (not merely professional training) must become the core of the university's mission. They show why higher education must address what it means to relate knowledge to public life, and social responsibility to the demands of critical citizenship. Moreover, they show why democratic forms of education and various elements of a critical pedagogy are vital not only to individual students, but also to our economy and our democratic institutions and future leadership. Visit our website for sample chapters!

Droppin' Science Jun 18 2020 Foreword by KRS-One Life's Little Instruction Book for the hip-hop generation, 'Droppin' Science' is a collection of quotations, life lessons and words of wisdom from the most influential voices in today's urban music scene. For the millions of teenagers and twentysomethings who idolise such musicians as Eminem, Lauryn Hill, Lil' Kim, Dr. Dre, Snoop Dogg, Busta Rhymes, Missy Elliot, Macy Grey, Common, Mary J. Blige, Wyclef Jean, Jay-Z and more, this book offers advice that is straight up and backed by serious street cred.

The New Encyclopedia of Southern Culture Jan 26 2021 This volume of The New Encyclopedia of Southern Culture offers a timely, authoritative, and interdisciplinary exploration of issues related to social class in the South from the colonial era to the present. With introductory essays by J. Wayne Flynt and by editors Larry J. Griffin and Peggy G. Hargis, the volume is a comprehensive, stand-alone reference to this complex subject, which underpins the history of the region and shapes its future. In 58 thematic essays and 103 topical entries, the contributors explore the effects of class on all aspects of life in the South--its role in Indian removal, the Civil War, the New Deal, and the civil rights movement, for example, and how it has been manifested in religion, sports, country and gospel music, and matters of gender. Artisans and the working class, indentured workers and steelworkers, the Freedmen's Bureau and the Knights of Labor are all examined. This volume provides a full investigation of social class in the region and situates class concerns at the center of our understanding of Southern culture.

Pitbull - Mr. Worldwide Dec 25 2020

Resounding Pasts Feb 13 2020 The field of memory studies has long been preoccupied with the manner in which events from the past are commemorated, forgotten, re-fashioned, or worked through on both the individual and collective level. Yet in an age when various modes of artistic and cultural commemoration have begun to overlap with and respond to one another, the dynamics of cultural remembering and forgetting become bound up in an increasingly elaborate network of representations that operate both within and outside temporal, cultural, and national borders. As publicly circulating texts that straddle the line between cultural artifact and artistic object, both musical and literary works, both individually and often in conjunction with one another, help shape cultural memories and individual experiences of those events. Troping their cultural milieux through specific aesthetic and social forms, genres, and modes of dissemination, music and literature become part of a growing global panoply of raw materials upon which we might begin to pose questions regarding the way we remember, the consequences of sharing and passing on those memories, and the aesthetic and cultural pressures attendant upon the circulation and interpretation of texts that (re-)sound the past.

On the Road to Cuastecomate Jul 20 2020 Dear Reader, enclosed you will find a set of short stories. It includes actual events from the authors life, and imagined events from the authors mind. Fact and fiction so to speak. As with most books, except those heavy serious textbook tomes, the tales tell of personal and interpersonal emotions and actions. As the saying goes, we are not alone. Each and every one of us affects both each other and the world around us. Moreover, each and every one of us have talents, and unlike the servant who buried his given talents under a stone, the author believes that the sharing of talents can, in fact may, help someone or something somewhere. Maybe consciously or unconsciously, actively or unseen, small or enormously, each and every one of us has an opportunity to act. We could all do our bits to the best of our ability, the possible if you like, while still striving for the dream. We all have our own roads to Cuastecomate.

SPIN Feb 24 2021 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Straight from the Source Sep 02 2021 Kim Osorio had a front-row seat for the biggest beefs, battles, and blow-ups in hip-hop. As the first female editor-in-chief of *The Source*, she had come up. From her corner office, Kim got the goods on hip-hop's hottest names: Jay-Z, Nas, 50 Cent, Lil' Kim. She developed close -- sometimes intimate -- relationships with the artists she exposed to the public. But *The Source* couldn't hide its own dirty laundry for long. Behind the scenes, the magazine's volatile owners puppeteered every issue -- even coveted honors like the 5-mic album rating and the Power 30 list of industry heavy-hitters. Then *The Source* declared war on Eminem and began the notorious assault that would send the magazine into swift decline. In a culture dominated by men, Kim rose to the top, and after years in the magazine's pressure cooker, she hit "send" on a two-sentence e-mail that would thrust her from the sidelines of the scandalous world she reported on to the center of one of the most explosive scandals in hip-hop history. *Straight From the Source* is the Book of Kim, the tell-all memoir only she could write about her influential years at the Bible of Hip-Hop.

Straight Outta Fangton Jan 18 2023 FROM THE BEST SELLING AUTHOR OF THE SUPERVILLAINY SAGA: Peter Stone is a poor black vampire who is wondering where his nightclub, mansion, and sports car are. Instead, he is working a minimum wage job during the night shift as being a vampire isn't all that impressive in a world where they've come out to mortals. Exiled from the rich and powerful undead in New Detroit, he is forced to go back when someone dumps a newly-transformed vampire in the bathroom of his gas station's store. This gets him fangs-deep in a plot of vampire hunters, supernatural revolutionaries, and a millennium-old French knight determined to wipe out the supernatural. Sometimes, it just doesn't pay to get out of the coffin. Set in the same world as *The Bright Falls Mysteries*. *** "Straight Outta Fangton is a wonderful mix of urban fantasy, dark comedy and scary vampires. It reads very much like a thriller and whose pace will have you flipping pages as fast as you can. Charles Phipps is an author who is revealing himself to be a master of many genres as he continues to thrill and amaze." -The Fantasy Book Critic "I love a good vampire story. When that story is wrapped up in clever, comedic writing, the ride is an enjoyable one. Charles Phipps can weave a tale with believable characters that have distinctive personalities filled with charm and wit." -Briar Lee Mitchell, *The Whistlebrass Horror* "CT Phipps created a not just a fun story, but a fun world ripe for expansion and exploration." -Michael Gibson, *Villains Rule* "Not only is it a funny book, but it's a creepy vampire story, a kick-ass action novel, and an intriguing urban fantasy at the same time." -Beauty in Ruins "Full of fascinating characters and laughs." -James Alderdice, *Brutal: An Epic Grimdark Fantasy* "I heartily recommend this book to anyone who is into urban fantasy or likes a good supernatural romp." -The Bookwyrm Speaks

The History of Hip Hop Aug 21 2020 The rap game transformed urban America forever and the 1980s! From infancy to a new culture, a new urban music style known as hip hop paved way for inner cities; creating local talented artists who popped up from all over the boroughs of Brooklyn and the Bronx. "The Golden Era" was just coming into its own while MCs; Kurtis Blow, DJ Kool Herc, Afrikan Bamba, Melle Mel, Whodini, Kool Moe Dee, Schoolly D, Run-DMC, LL Cool J, NWA and others brought a sound that remains America's urban loudest voice in modern history. Nowadays, rap and trap artists worldwide have America's ghettos to thank for their successful music careers. Paying homage to the original OGs of hip hop shouldn't be demanded. As Nas said it best, "It's not hard to tell." Inside this volume, you'll find 80s hip hop history and much more such as: - Special mentions of Kurtis Blow AKA the "Godfather of Rap" - Legacy of Afrika Bamba - Kool Moe Dee - hip hop's earliest battle rapper - The message behind 'The Message' - The Beastie Boys sudden rise to stardom - Run-DMC - LL Cool J - Fat Boys - 'Self-Destruction' - the first hip hop collaboration to address violence in inner cities How the rap world transformed urban words and expressions from infancy to a new culture for all to enjoy is everything you'll find in the second volume of the History of Hip Hop.

Language in the USA Jan 06 2022 Publisher Description

When Rap Spoke Straight to God Oct 15 2022 A book-length poem navigating belief, black lives, the tragedies of Trump, and the boundaries of being a woman. "When Rap Spoke Straight to God is utterly transporting. In language both elevated and slangy, saucy and tender, Dawson lovingly weaves the reader around her finger." —Jennifer Egan When Rap Spoke Straight to God isn't sacred or profane, but a chorus joined in a single soliloquy, demanding to be heard. There's Wu-Tang and Mary Magdalene with a foot fetish, Lil' Kim and a self-loving Lilith. Slurs, catcalls, verses, erasures—Dawson asks readers, "Just how far is it to nigger?" Both grounded and transcendent, the book is reality and possibility. Dawson's work has always been raw; but, When Rap Spoke Straight to God is as blunt as the answer to that earlier question: "Here." Sometimes abrasive and often abraded, Dawson doesn't flinch. A mix of traditional forms where sonnets mash up with sestinas morphing to heroic couplets, When Rap Spoke Straight to God insists that while you may recognize parts of the poem's world, you can't anticipate how it will evolve. With a literal exodus of light in the book's final moments, When Rap Spoke Straight to God is a lament for and a celebration of blackness. It's never depression; it's defiance—a persistent resistance. In this book, like Wu-Tang says, the marginalized "ain't nothing to f--- with."

Hip-hop Revolution Jul 12 2022 As hip-hop artists constantly struggle to "keep it real," this fascinating study examines the debates over the core codes of hip-hop authenticity--as it reflects and reacts to problematic black images in popular culture--placing hip-hop in its proper cultural, political, and social contexts.

Sounding Race in Rap Songs Apr 28 2021 As one of the most influential and popular genres of the last three decades, rap has cultivated a mainstream audience and become a multimillion-dollar industry by promoting highly visible and often controversial representations of blackness. *Sounding Race in Rap Songs* argues that rap music allows us not only to see but also to hear how mass-mediated culture engenders new understandings of race. The book traces the changing sounds of race across some of the best-known rap songs of the past thirty-five years, combining song-level analysis with historical contextualization to show how these representations of identity depend on specific artistic decisions, such as those related to how producers make beats. Each chapter explores the process behind the production of hit songs by musicians including Grandmaster Flash and the Furious Five, The Sugarhill Gang, Run-D.M.C., Public Enemy, N.W.A., Dr. Dre, and Eminem. This series of case studies highlights stylistic differences in sound, lyrics, and imagery, with musical examples and illustrations that help answer the core question: can we hear race in rap songs? Integrating theory from interdisciplinary areas, this book will resonate with students and scholars of popular music, race relations, urban culture, ethnomusicology, sound studies, and beyond.

Listen to Rap! Exploring a Musical Genre Apr 09 2022 Listen to Rap! Exploring s Musical Genre provides an overview of this kinetic and poetic musical genre for scholars of rap and curious novices alike. • Provides readers with a ready list of the 50 most important people and events in rap •

Discusses vocal styles and musical production in depth • Quickly and efficiently characterizes rappers, crews, albums, and singles • Provides pertinent information that links rappers, producers, DJs (turntablists), and record labels • Discusses the history of rap as a series of local phenomena in the introduction

Musical Rhythm in the Age of Digital Reproduction Sep 21 2020 Musical Rhythm in the Age of Digital Reproduction presents new insights into the study of musical rhythm through investigations of the micro-rhythmic design of groove-based music. The main purpose of the book is to investigate how technological mediation - in the age of digital music production tools - has influenced the design of rhythm at the micro level. Through close readings of technology-driven popular music genres, such as contemporary R&B, hip-hop, trip-hop, electro-pop, electronica, house and techno, as well as played folk music styles, the book sheds light on how investigations of the musical-temporal relationships of groove-based musics might be fruitfully pursued, in particular with regard to their micro-rhythmic features. This book is based on contributions to the project Rhythm in the Age of Digital Reproduction (RADR), a five-year research project running from 2004 to 2009 that was funded by the Norwegian Research Council. Anne Danielsen, Department of Musicology, University of Oslo, Norway.

Why Black Lives Matter Dec 05 2021 Beginning with a conversation prompted by African American scholars like Dr. Alvin Poussaint of Harvard Medical School in 2007, to the current Black Lives Matter movement, there has been much debate about what led to the deaths of Trayvon Martin and Michael Brown, among others, as well as other systemic challenges that undermine black thriving. Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly Christian perspective on what is needed for black communities to thrive from within. In addition to the social and structural issues that must be addressed, within black communities there are opportunities for social change based on God's vision for human flourishing. Covering topics like the black family, hip-hop, mental health, mentoring women, masculinity, and the church, this book will open your eyes to fresh ways to participate in solutions that will truly set black America free. Although the Black Lives Matter movement keeps the church on the margins, the authors in this volume believe that enduring change cannot happen unless God speaks directly to these issues in light of the gospel. With contributions from: Vincent Bacote Bruce Fields Rev. Howard Brown Ralph C. Watkins Rev. Eric M. Mason Rev. Lance Lewis Rev. Anthony Carter Ken Jones Natalie Haslem Rev. Ken Jones Rihana Mason Yvonne RB-Banks

Rap on Rap Feb 19 2023 Straight-Up Talk On Hip-Hop Culture

To Live and Defy in LA Nov 23 2020 How gangsta rap shocked America, made millions, and pulled back the curtain on an urban crisis. How is it that gangsta rap—so dystopian that it struck aspiring Brooklyn rapper and future superstar Jay-Z as “over the top”—was born in Los Angeles, the home of Hollywood, surf, and sun? In the Reagan era, hip-hop was understood to be the music of the inner city and, with rare exception, of New York. Rap was considered the poetry of the street, and it was thought to breed in close quarters, the product of dilapidated tenements, crime-infested housing projects, and graffiti-covered subway cars. To many in the industry, LA was certainly not hard-edged and urban enough to generate authentic hip-hop; a new brand of black rebel music could never come from La-La Land. But it did. In *To Live and Defy in LA*, Felicia Viator tells the story of the young black men who built gangsta rap and changed LA and the world. She takes readers into South Central, Compton, Long Beach, and Watts two decades after the long hot summer of 1965. This was the world of crack cocaine, street gangs, and Daryl Gates, and it was the environment in which rappers such as Ice Cube, Dr. Dre, and Eazy-E came of age. By the end of the 1980s, these self-styled “ghetto reporters” had fought their way onto the nation’s radio and TV stations and thus into America’s consciousness, mocking law-and-order crusaders, exposing police brutality, outraging both feminists and traditionalists with their often retrograde treatment of sex and gender, and demanding that America confront an urban crisis too often ignored.

Street Scriptures Nov 11 2019 This book explores an important aspect of hip-hop that is rarely considered: its deep entanglement with spiritual life. The world of hip-hop is saturated with religion, but rarely is that element given serious consideration. In *Street Scriptures*, Alejandro Nava focuses our attention on this aspect of the music and culture in a fresh way, combining his profound love of hip-hop, his passion for racial and social justice, and his deep theological knowledge. *Street Scriptures* offers a refreshingly earnest and beautifully written journey through hip-hop’s deep entanglement with the sacred. Nava reveals a largely unheard religious heartbeat in hip-hop, exploring crosscurrents of the sacred and profane in rap, reggaeton, and Latinx hip-hop today. Ranging from Kendrick Lamar, Chance the Rapper, Lauryn Hill, Cardi B, and Bad Bunny to St. Augustine and William James, Nava examines the ethical-political, mystical-prophetic, and theological qualities in hip-hop, probing the pure sonic and aesthetic signatures of music, while also diving deep into the voices that invoke the spirit of protest. The result is nothing short of a new liberation theology for our time, what Nava calls a “street theology.”

Constructing Black Selves Aug 01 2021 In 1965, the Hart-Cellar Immigration Reform Act ushered in a huge wave of immigrants from across the Caribbean—Jamaicans, Cubans, Haitians, and Dominicans, among others. How have these immigrants and their children negotiated languages of race and ethnicity in American social and cultural politics? As black immigrants, to which America do they assimilate? *Constructing Black Selves* explores the cultural production of second-generation Caribbean immigrants in the United States after World War II as a prism for understanding the formation of Caribbean American identity. Lisa D. McGill pays particular attention to music, literature, and film, centering her study around the figures of singer-actor Harry Belafonte, writers Paule Marshall, Audre Lorde, and Piri Thomas, and meringue-hip-hop group Proyecto Uno. Illuminating the ways in which Caribbean identity has been transformed by mass migration to urban landscapes, as well as the dynamic and sometimes conflicted relationship between Caribbean American and African American cultural politics, *Constructing Black Selves* is an important contribution to studies of twentieth century U.S. immigration, African American and Afro-Caribbean history and literature, and theories of ethnicity and race.

Shades of White Nov 16 2022 What does it mean to be young, American, and white at the dawn of the twenty-first century? By exploring this question and revealing the everyday social processes by which high schoolers define white identities, Pamela Perry offers much-needed insights into the social construction of race and whiteness among youth. Through ethnographic research and in-depth interviews of students in two demographically distinct U.S. high schools—one suburban and predominantly white; the other urban, multiracial, and minority white—Perry shares students’ candor about race and self-identification. By examining the meanings students attached (or didn’t attach) to their social lives and everyday cultural practices, including their taste in music and clothes, she shows that the ways white students defined white identity were not only markedly different between the two schools but were considerably diverse and ambiguous within them as well. Challenging reductionist notions of whiteness and white racism, this study suggests how we might go “beyond whiteness” to new directions in antiracist activism and school reform. *Shades of White* is emblematic of an emerging second wave of whiteness studies that focuses on the racial identity of whites. It will appeal to scholars and students of anthropology, sociology, and cultural studies, as well as to those involved with high school education and antiracist activities.

Straight Cash Hip Hop Rap Homie Jan 14 2020 This 120-page journal features: 120 wide-ruled lined pages 6" x 9" size - big enough for your writing and small enough to take with you smooth 55# white-color paper, perfect for ink, gel pens, pencils or colored pencils a cover page where you can enter your name and other information a matte-finish cover for an elegant, professional look and feel This journal can be used for writing poetry, jotting down your brilliant ideas, recording your accomplishments, and more. These journals also make wonderful gifts, so put a smile on someone's face today!

Billboard Apr 16 2020 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

[Straight Outta Scotland](#) Dec 17 2022 California Schemin' is the remarkable real life story of how two rappers from Dundee pretended to be two rappers from California and duped the record industry out of hundreds of thousands of pounds. Gavin Bain and Billy Boyd - or Silibil N' Brains, as they became known - were two ordinary Scottish boys who shared an extraordinary dream: to become rap superstars. Creating new identities for themselves, they persuaded the music industry that they were the latest hot young talent from California. Silibil N' Brains then lived out that lie for more than two years, securing an enormous record deal with Sony and being catapulted into the industry high-life, rubbing shoulders with the likes of Madonna, Eminem and D12. But, ironically, they could never actually deliver and promote the album that they were paid so much money to put together. As soon as they became famous they would be recognised by anyone who had known them in their former lives in Scotland and the dream would evaporate. As the pressure mounted, there would be disastrous consequences ... California Schemin' is a story of incredible highs and terrible lows, of doing whatever it takes to follow your dream.

Brothers Gonna Work It Out May 10 2022 Cheney (ethnic studies, California Polytechnic State U.) considers the political expression of rap artists within the historical tradition of black nationalism. Interweaving songs and interviews with hip-hop artists and activists including Chuck D of Public Enemy and Rosa Clemente, manager of dead prez, Cheney links late 20th- century hip-hop nationalists with their 19th-century spiritual forebears and challenges the perception of hip-hop as simply sexist or misogynistic.

Third Wave Agenda Sep 14 2022 In the length of time from Gloria Steinem to Courtney Love, young feminists have grown up with a plethora of cultural choices and images. In THIRD WAVE AGENDA, feminists born between the years 1964 and 1973 discuss the things that matter NOW, both in looking back at the accomplishments and failures of the past--and in planning for the challenges of the future. 10 halftones.

[Black Visions](#) Nov 04 2021 This comprehensive analysis of the complex relationship of black political thought identifies which political ideologies are supported by blacks, then traces their historical roots and examines their effects on black public opinion.
