*Our Tree Named Steve* Sep 26 2020  
Dear Kids, A long time ago, when you were little, Mom and I took you to where we wanted to build a house. . . . I remember there was one tree, however, that the three of you couldn't stop staring at. . . . After the family spares him from the builders, Steve the tree quickly works his way into their lives. He holds their underwear when the dryer breaks down, he's there

when Adam and Lindsay get their first crushes, and he's the centerpiece at their outdoor family parties. With a surprising lack of anthropomorphizing, this is a uniquely poignant celebration of fatherhood, families, love, and change.

**We, The Children of India** Nov 21 2022 We, the children of India—Former Chief Justice Leila Seth makes the words of the Preamble to the Constitution understandable to even the youngest reader. What is a democratic republic, why are we secular, what is sovereignty? Believing that it is never too early for

young people to learn about the Constitution, she tackles these concepts and explains them in a manner everyone can grasp and enjoy. Accompanied by numerous photographs, captivating and inspiring illustrations by acclaimed illustrator Bindia Thapar, and delightful bits of trivia, *We, the Children of India* is essential reading for every young citizen.

**Constitution of India for Children**

Mar 13 2022 Every 26th January, people gather on New Delhi's Rajpath amidst a colourful jamboree of fluttering flags, marching soldiers and dancing

children. What is celebrated on this day is at the heart of our democracy—the magnificent Constitution of India. The document didn't only lay down the law but united India with a vision that took two years, eleven months and seventeen days to realise. Subhadra Sen Gupta captures the many momentous occasions in Indian history that led to its making in *The Constitution of India for Children*. Populated with facts and dotted with cheerful illustrations, this book provides answers to innumerable questions asked over the years. Which language is our Constitution

written in? Were women a part of the team that drafted the Constitution? Why do political parties have symbols next to their names? What is the official language of India? An essential handbook for every student and denizen of India, here is a compendium of knowledge that serves as an insightful introduction to the most important document of Independent India. [There Is a Tribe of Kids](#) Sep 19 2022 Winner of the Kate Greenaway Medal When a young boy embarks on a journey alone . . . he trails a colony of penguins, undulates in a smack of jellyfish, clasps hands with a

constellation of stars, naps for a night in a bed of clams, and follows a trail of shells, home to his tribe of friends. If Lane Smith's *Caldecott Honor Book Grandpa Green* was an homage to aging and the end of life, *There Is a Tribe of Kids* is a meditation on childhood and life's beginning. Smith's vibrant sponge-paint illustrations and use of unusual collective nouns such as smack and unkindness bring the book to life. Whimsical, expressive, and perfectly paced, this story plays with language as much as it embodies imagination, and was awarded the 2017 Kate Greenaway Medal.

This title has Common Core connections. *Young Citizens of the World* Mar 01 2021 *Young Citizens of the World* takes a clear stance: Social studies is about citizenship education that is informed, deliberative, and activist—citizenship not only as a noun, something one studies, but as a verb, something one DOES. Its holistic, multicultural approach is based on this clear curricular and pedagogical purpose. Straightforward, engaging, and highly interactive, the book encourages students (and their teachers) to

become informed, think it through, and take action. Each chapter is written as a civic engagement which is teacher-ready for use in elementary classrooms. A set of six teaching strategies that are constructive, inquiry-driven, dramatic, and deliberative bring the curricular framework to life through intensive, integrated meaningful studies of special places, important people, and significant times. Readers are invited to rehearse the projects in their social studies education courses and then to reinterpret them for their classrooms. The projects are supported by important

resources for teaching, including supportive children's literature, links to internet sites, and visual sources and by a Companion Website that enhances and extends the text.

**The Philosophy of Psychology** Apr 21 2020 What is the relationship between common-sense, or 'folk', psychology and contemporary scientific psychology? Are they in conflict with one another? Or do they perform quite different, though perhaps complementary, roles? George Botterill and Peter Carruthers discuss these questions, defending a robust form of realism about the commitments of folk psychology and about the prospects for integrating those commitments into natural science. Their focus throughout the

book is on the ways in which cognitive science presents a challenge to our common-sense self-image - arguing that our native conception of the mind will be enriched, but not overturned, by science. The Philosophy of Psychology is designed as a textbook for upper-level undergraduate and beginning graduate students in philosophy and cognitive science, but as a text that not only surveys but advances the debates on the topics discussed, it will also be of interest to researchers working in these areas.

### **I Wanna Iguana**

Dec 30 2020 Alex just has to convince

his mom to let him have an iguana, so he puts his arguments in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassurances: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house. and his mom's replies: How are you going to get a girl to marry you when you own a giant reptile? will have kids in hysterics as the negotiations go back and forth through notes. And

the lively,  
imaginative  
illustrations show  
their polar opposite  
dreams of life with  
an iguana.

2021 A creative  
companion to Stand  
Tall, Molly Lou  
Melon Molly Lou  
Melon's grandma  
taught her to be  
happy with herself  
no matter what, but  
that's not all she  
learned. Molly Lou  
heard all about how  
her grandma didn't  
have fancy store-  
bought toys when  
she was little. She  
made dolls out of  
twigs and flowers  
and created her  
own fun in her

Barron and Larcher

Textile Designers  
Dec 18 2019 During  
the 1920's and  
1930's, Phyllis  
Barron (1890-1964)  
and Dorothy  
Larcher  
(1882-1952) were  
at the forefront of a  
revival in hand  
block-printing in  
Britain. As  
designer-makers  
they formed a  
unique partnership,  
producing  
innovative textiles  
and seeing the  
entire process  
through from  
beginning to end.  
Using whatever  
materials they  
could muster -  
fabric ranging from  
balloon cotton to  
prison sheets and  
velvet, and  
everyday items  
such as combs and  
car mats for  
printing - and  
pushing the  
boundaries of what

could be achieved  
with predominantly  
natural dyes, these  
two remarkable  
women ran a  
successful business  
that lasted from  
1923 until the  
outbreak of World  
War II. Nearly one  
hundred years on,  
another special  
collaboration  
between the Craft  
Studies Centre in  
Farnham,  
Christopher Farr  
Cloth and Ivo  
Prints, has brought  
a selection of  
Barron and  
Larcher's work  
back into  
production. The  
warm welcome they  
have received  
across the globe is  
a testament to the  
timeless quality of  
great design.  
**I Wanna Go Home**  
Sep 07 2021  
Another hilarious  
companion to I

Wanna Iguana. Alex is not happy about being sent to his grandparents' retirement community while his parents go on a fabulous vacation. What could be worse than tagging along to Grandma's boring bridge game or enduring the sight of Grandpa's dentures? But as the week goes on, Alex's desperate emails to his parents turn into stories about ice cream before dinner and stickball with Grandpa. Before he knows it, Alex has made a surprising discovery: grandparents are way cooler than he thought! Masterfully balancing hilarity and heart, Karen Kaufman Orloff and

Dave Catrow deliver a story sure to entertain kids and grandparents everywhere. *We the Kids* Dec 22 2022 A humorously illustrated preamble to the Constitution of the United States. *Children's Constitutional Rights in the Nordic Countries* Oct 20 2022 This study explores whether and how enshrining children's rights in national constitutions improves implementation and enforcement of those rights by comparing Danish, Finnish, Icelandic, Norwegian and Swedish law. *Walker's Appeal, in Four Articles*, Jan 11 2022 **Good Omens** Jan 19 2020 THE BOOK

BEHIND THE AMAZON PRIME/BBC SERIES STARRING DAVID TENNANT, MICHAEL SHEEN, JON HAMM AND BENEDICT CUMBERBATCH 'Ridiculously inventive and gloriously funny' Guardian What if, for once, the predictions are right, and the Apocalypse really is due to arrive next Saturday, just after tea? It's a predicament that Aziraphale, a somewhat fussy angel, and Crowley, a fast-living demon, now find themselves in. They've been living amongst Earth's mortals since The Beginning and, truth be told, have grown rather fond of the lifestyle and,

in all honesty, are not actually looking forward to the coming Apocalypse. And then there's the small matter that someone appears to have misplaced the Antichrist . . .

Washington

America had won

the Revolution, but

our troubles were far from over. The thirteen states were squabbling, the country could not pay its bills, and in Massachusetts farmers had taken up arms against the government. Was our country, which had fought so hard for its independence, going to survive? In May 1787 delegates from across the country—including George Washington, James Madison, and Benjamin Franklin—gathered in Philadelphia and, meeting over the course of a sweltering summer, created a new framework for governing: the Constitution of the United States. Their efforts turned a shaky alliance of

states into a nation that would prosper and grow powerful, drawing its strength for centuries to come from “We the people” and inspiring hope for freedom around the world. Now in paperback for the first time, this richly illustrated tale of a crucial point in our nation’s history will enthrall readers young and old.

**Every Book Is a Social Studies Book: How to Meet Standards with Picture**

**Books, K-6** May 03 2021 In order for today's children to succeed as adults, they need a solid foundation of life skills inculcated at a young age. Social studies is key to building this critical knowledge, yet less attention is being paid to social studies in elementary schools as this subject becomes more essential. The authors of this text have a solution: use picture books as dual-purpose texts that fulfill more than just language arts needs, and take the time dedicated to those lessons to simultaneously teach social studies. Each chapter of this text is organized around one of the National Council for

the Social Studies' Ten Thematic Strands, covering diverse and engaging topics ranging from community and individuality to science and technology. This book serves as a vital resource for classroom teachers, methods professors, staff developers, and curriculum writers who prioritize keeping social studies a part of the elementary school curriculum.
